

BCMGA membership renewal begins at the annual membership meeting on Monday, Oct.16. As a courtesy to both our treasurer and membership secretary, we like to have membership renewal completed by Thanksgiving so that these ladies can enjoy the holiday season.

Continuing members are trained Master Gardeners and trainees who are extending their graduation to a second year. Continuing members do not have to be certified. Dues are \$15. Dues can be paid with check, cash, or credit card. Checks should be made payable to BCMGA. If using a credit card, there is a swipe fee charge. The charge for continuing Master Gardeners is \$15.75. Here is the credit card link for continuing Master Gardeners only.
